

A RESOLUTION REGARDING FISCAL AUTONOMY OF THE AIKEN COUNTY  
SCHOOL BOARD

Submitted by Precinct 64

Whereas the General Assembly granted the Aiken County School Board fiscal autonomy,  
and

Whereas the Aiken County School Board has abused this fiscal autonomy to raise  
property tax millage to unconscionable levels, and

Whereas the Aiken County School Board has yet to show any meaningful educational  
improvements despite the massive increases in property taxes, and

Whereas the Aiken County School Board has shown little or no interest in educational  
reforms beyond throwing additional money at educational crises,

Be it resolved that the Aiken County Republican Party requests the Aiken County  
Legislative Delegation to take appropriate measures to eliminate the fiscal autonomy of  
the Aiken County School Board.
